

**ALDOLPHO**

Whaaat? This is bridal suite, you are the only one here.  
Therefore you must be bride.

**DROWSY**

Me-no-bride. Perhaps I could take a message.

**ALDOLPHO**

Yes, very good... Dear Van De Graaff bride, I must kiss you,  
sooner is better, signed Aldolpho, King of Romance.

**DROWSY**

Well, you saw through my little ruse. You've found me out.

**ALDOLPHO**

Ahh, so you are the bride.

**DROWSY**

Apparently, yes. Take me, Aldollface.

**ALDOLPHO**

No, no, no, not Aldollface – Aldolpho. You must remember my  
name. How can I make you remember?
